It's time to begin our preparations for THE SECOND ANNUAL CAR, BIKE, and TRUCK SHOW in The First Masonic District. Last year our First Show was a great success, netting over \$2,200.00 for the 2014 Fund, with 23 Lodges participating with sponsorship of a trophy.

All Lodges in our district are again invited to participate in this event by sponsoring a TROPHY, to be awarded at the show. The trophy will be engraved with your Lodge name and number.

It provides a unique opportunity for the Masons of this district to bring our fraternity to the attention of many non-masons. It is also an opportunity for individual Lodges, such as yours, to make themselves known to the community in a fun and enjoyable way. In addition, individual Lodge members may want to sponsor a TROPHY in their name or to honor some well deserving Lodge member or in the name of their business.

The 2014 fund is for the Event of The Grand Lodge of Masons in Ohio for October 2014, to be held in Cincinnati, Ohio. It will draw Masons and their families from all over the State of Ohio. This is a big undertaking and we would like to be able to showcase Cincinnati in the style that the Queen City deserves. This will take many dollars in order to bring The Grand Lodge of Masons in Ohio to Cincinnati. Your Lodge will be an important partner with other lodges in the First District by agreeing to sponsor a TROPHY.

The cost to sponsor a TROPHY is \$50.00. Make the check payable to:
